

Nerd Sh*t

Terminology — easy to understand, so (don't) pay attention

Network — self explanatory

Chans (or channels) — also self explanatory

Nick — short for nickname, what you go by

OP / IRCop — channel operator; frequently commits mod abuse

Maybe demo IRC here

<https://kiwiirc.com/>

Popular Networks

The logo for freenode, with the word "freenode" in a lowercase, sans-serif font. The "free" is in white and the "node" is in green.

Open Source Project Oriented

The logo for Efnet, featuring a stylized blue "E" followed by the word "fnet" in a black, lowercase, sans-serif font.

One of the oldest anarchy servers

A blue banner with the text "irc.rizon.net" in white, sans-serif font. Below it, in a smaller font, is "where are you" with a right-pointing arrow on the left and a left-pointing arrow on the right.

Used by 4chan a lot

The logo for DALnet, featuring a yellow circular icon with a stylized "D" and the text "DALnet" in a yellow, serif font. Below it, in a smaller font, is "The DALnet IRC Network".

Spinoff of Efnet

A blue banner with the text "Snoonet / updates" in white, sans-serif font.

Subreddit focused

And many more!
